INTRO

Heeey… ***$NAME***?

This is Ștefan from ***$COMPANY***, it looks like you've booked from an ad, about possible help with trading, is that right?

YES → Cool, just to give you some insight into our application process, it's two steps.

The first step is this call. My goal here is just to get an understanding of where you're at, where you wanna be and see if we can actually help you. If by the end of the call I feel like that's the case, I'll walk you through the next stage, cool?

INTENT

Okay, so tell me man, what had you interested in ***trading*** in the first place?

Get tangible answer here

E.G ***MONEY*** // ***TIME*** // ***FREEDOM***

EARLY IMPACT

Well, what makes you feel like you don't have ***$TANGIBLE*** right now?
Well, what makes you feel like you're not as ***$TANGIBLE*** as you want to be right now?

CURRENT SITUATION

What do you do at the moment, work-wise?
How do you feel about the job?
How long have you been in the job?
What makes you want to get out of the job?

Okay so basically your main goal is to ***$REAL GOAL***, correct?

TIMEFRAME

Got it. Give me the bigger picture, like how long have you been looking into trading?

Okay and within the last ***$TIMEFRAME***… What have you tried in trading?

Why haven't you been able to see success within trading over ***$TIMELINE***?

WHAT GOT IN THE WAY?

ALT What actually got in the way, in terms of actually starting?
ALT What do you feel stopped in terms of actually taking the real step?

ALT What's different now compared to six months ago?
ALT What made you start looking now?

FINANCIAL QUALIFICATION & PITCH

Alright ***$NAME***… based on everything you've told me, I genuinely believe we can help you.
The next step would be connecting you with one of our senior advisors, ***$CLOSER***, he can get more in-depth, and build a roadmap on how we can get you to ***$GOAL***.
Sounds good?

Cool, I want to be completely transparent, there's an investment, depending on how much support you need, it's anywhere from ***$X*** to ***$Y***… is that doable or totally out of the question?

SCHEDULE & LOCK DETAILS

Great, let me check the calendar and see what slots are still available, what would work best tomorrow or ***$2DAYS FROM NOW***?

What works best, in the morning, afternoon or evening?
$TIME #1 or ***$TIME #2***, which works best?

Okay ***$TIME & DATE***.

What's your best email for the call details?
Is this number good for a reminder text?

I've sent the invitation, I'll give you a moment to check your email right now, make sure you got it and accepted it.

COMMITMENT TO SHOW UP

Okay, You're locked in — just to double check, are you 100% sure ***$TIME & DATE*** works and there is nothing coming up that could clash?

Great, if for some reason life gets in the way, just message me and we can reschedule.
For the call, find a quiet space, be at your computer, ***$CLOSER*** will break it all down on the call aaand you two figure out if it's a fit. Cool?

Amazing brother, stay blessed and take care!
